

KN 1540

Portable eyewash, 60 liter

Self-contained portable eyewash unit that uses gravity to deliver water through dual spray heads. Unit delivers over 53 liters of water for 15 minutes. The plastic tank can be installed in a wide variety of locations where potable water is not available. It must be filled up with clean potable water and sterilising fluid must be added. Unit shall be inspected regularly and the water must be changed at least every sixth months.

Accessories: Bacteriostatic additive to prevent growth in tank (KN1540BA)

An emergency sign is enclosed with each eyewash.
